Protection Plans *For Moves Within Pennsylvania*

Full Replacement Coverage

This is the premium protection plan for coverage that protects your items at their total replacement value . It is available at a rate of

\$8.50 per \$1,000.00 of Valuation.

There is a valuation **minimum of \$21,000 OR \$6.00 per pound** / whichever is the greater amount.

Declared Value Coverage

This coverage pays based on depreciated value up to the total value you declare.

This is not full replacement value coverage. It covers at the present day value of an item, depreciated against age and usage. This protection is available at a rate of **\$5.00 per \$1,000.00** of Valuation.

Coverage is based upon the weight of the shipment X \$1.25 per pound.

Basic Liability Coverage

There is no charge for basic liability protection. It is, however, just that: basic.

This protection plan offers reimbursement at a rate of 60¢ per pound per item in the event of loss or damage.

In most cases, this is inadequate coverage.

The protection plan that is right for you is an individual decision. You should consult with your homeowner's or renter's insurance agent to determine if they offer protection and to determine coverage levels.
